

# Βιβλιαράκι Μαθηματικών

Αφαίρεση αριθμών  
μέχρι το 20

Γεωργία Παφίτη

Πάμε να μετρήσουμε μέχρι το 20;

0      1      2      3      4

5      6      7      8      9

10      11      12      13      14

15      16      17      18      19

20

Παραδείγματα!! Αφαίρεση αριθμών  
μέχρι το 20.

$$\cancel{7} - \cancel{7} = 0$$

$$\cancel{17} - \cancel{17} = 0$$

$$4 - 0 = 4$$

$$14 - 0 = 14$$

$$6 - 1 = 5$$

$$16 - 1 = 15$$

$$18 - 10 =$$

$$(\cancel{10} + 8) - \cancel{10} = 8$$

Συμπλήρωσε τους αριθμούς που λείπουν.

Ώρα για εξάσκηση! Κάνε τις πράξεις όπως το παράδειγμα.

$$12 - 5 = 7$$

$$14 - 6 = \square$$

$$16 - 7 = \square$$

$12 - 8 = \square$

$14 - 7 = \square$

$18 - 7 = \square$

$16 - 5 = \square$

$14 - 6 = \square$

$18 - 6 = \square$

Ώρα για εξάσκηση!
